

FEATURES

Aromadrop is a long-lasting method for scenting your home, car, and office.

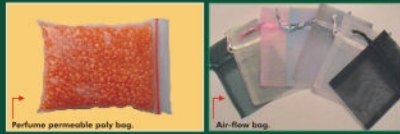

The Aromadrop are so powerfully scented and long lasting, that in certain environments the scent can remain strong for years!

Highest quality Natural Essential Oils and Fragrance Oils have been artfully combined for this extraordinary Aroma drops.

These richly scented Drops contain many times, more fragrance than botanical potpourri. These specially formulated drops are beautiful, in gorgeous colors to match the scents.

The Aroma in our Aromadrop are "True-to-Nature" and must be experienced fully to be appreciated!

HOW IT WORKS

Aromadrop need to be placed in an open dish or in a perfume permeable poly bag/air-flow bag where air will circulate to allow the fragrance to flow. The Drops also need to be shaken around every now & then to "refresh" them and release the scent. Setting a sachet in front of an air vent in your house or car will help circulate the fragrance.

The fragrance will last for several months, depending on the fragrance, use and exposure.

INSTRUCTION FOR USE

1. Pour Aromadrop in Air-flow bag & pull the drawstring ribbons to close the bag.
2. Fix hook tightly at the center of the bag under the ribbons.
3. Hook bag in the slats of the air vent of car or AC, or set anywhere.
4. Simply put in an open dish or in a poly bag.

USEFUL TIPS

Aromadrop are so effective and easy to use they have literally hundreds of applications!

For Scenting Drawer sachet, Car Sachet, Luggage, Shoe Box Sachet, Boots, Wrapped Packages, Love Letters, Greeting cards, Storage Boxes, Aromatherapy Moods, Bed Linen Scent, Wedding Favors, Refresh Floral Potpourri, Moth Chasers, Closets, Cupboards, Hampers, Decorative Jars, Potpourri Dishes, Office Desk, Garment Bags, Coat Hangers, Gym Bags, Vacuum Cleaners, Room Air Freshener, Party Favors, Simmer Pots.

Just add a few spoonfuls of these fragrant Drops to a simmer pot of water and enjoy the aroma of your favorite fragrance as it freshens the air in your home or office.

Carry a small sachet or bag of Aromadrop in purse or briefcase and whiff throughout the day for stress relief or rejuvenation! Enhance your surroundings and lift your spirits.

CAUTIONS:

Do not set these sachets on wood surfaces as the oils can stain the wood. Do not set them on painted surfaces or plastic surfaces as the oils can damage these surfaces! Do not use in a tart warmer or potpourri burner as the Aromadrop can melt! Keep out of the reach of children and pets!
